ABSTRACT

This publication catalogs the materials received for and displayed at the Association conference. Entries are divided into sections on general curriculum development and materials and on the subject areas traditionally found in public schools. Most entries are categorized by level--elementary, middle, or secondary schools. Information is provided concerning the sources and the availability of the material. (MLF)

FOREWORD

This publication catalogs the materials received by the Curriculum Materials Committee for the 29th ASCD Annual Conference in Anaheim, California, March 9-13, 1974. All materials received will be displayed at the ASCD Curriculum Materials Exhibit in the Anaheim Convention Center.

Materials referenced herein offer a broad representation of current curriculum materials issued throughout the nation. The chairman extends her thanks to all who submitted materials for display.

The classification system used by the chairman in preparing this catalog is a modification of the previous catalog to identify pertinent disciplines.

The catalog is prepared as a guide for conference participants while examining this year's display and for use during the year to identify sources for needed materials. All material submitted has been displayed. Criteria for quality should be self-determined. Inclusion does not indicate endorsement by the ASCD or its committee.

All inquiries and requests concerning these materials should be addressed to the contributing source, not to ASCD or the committee. Please note that many materials are not available for purchase. When price was provided, it was included in the annotation; when omitted, it does NOT indicate the materials are free.

Abbreviations used in this catalog:

pp., pages
n.p., no price given
l.q., limited quantity
n.d., no date

Ellen E. Farquhar, Chairman.
